

Combination agreement

The below mentioned ALBER products are in principle appropriate to be combined with the below mentioned ALU REHAB products provided that the combination is made expertly and according to the guidelines of both manufacturers. The guidelines can be asked at the manufacturer.

ALBER product	ALU REHAB products
e-motion M25 (max. 140 kg)	Netti II Netti III Netti III EL Netti III HD Netti 4U CED Netti 4U CE Netti 4U CE Plus Netti 4U Base

Please note that mounting has to be effected according to the ALBER mounting instructions by authorized and skilled staff only. Restrictions (seat width, seat height,...) from the ALBER bracket list have to be observed.
